

Lamb of God Farm

Lamb of God/Esther's Place
Big Rock, Illinois

Thank you for considering joining our farm's Value Added CSA Program this 2011 Season! We are busy on the farm and at Esther's Place planting and tending the crops as well as finalizing plans to include other local farm products in your weekly boxes!

Each box is packed full of the freshest variety of farm goodies. Our boxes are about 24" Lx18"Wx 7"H (heaping...a generous bushel's worth) so you will be sure to get good quality produce that didn't get damaged in packing. We're growing more variety of your everyday favorites this year- lots of potatoes, super sweet corn, broccoli, cabbage, heirloom tomatoes, onions, peppers, winter squashes, beets and more! That's in addition to the diversity of lettuces, chard, kale, scallions, kohlrabi, radishes, cucumbers, zucchini, patty pans, carrots, eggplant, melons, spinach, string beans, turnips, herbs, flowers, and lots more. You're also going to be getting a variety of cheeses, meats, flour, eggs, canned goods, honey, and more throughout the season, all from local farms right here in the area. We recommend a 20 week share for a family of 4-6 (or a couple who wants to can and preserve a bit, or have a high veggie diet) and a 10 week share for 1 or 2 people. Plus we have extras from the garden you can pick from throughout the season as an added bonus!

This year we are offering two share options: 20 week share (\$900) and a 10 week share (\$450) . Payment in full (cash, check or charge card) is very much appreciated so we can fund the start up costs such as fuel fills, seeds, and other needed supplies. You can also use our payment program. For the 20 week share it entails an initial payment of \$225 and 3 additional checks (written to Lamb of God Farm) predated with the asterisked dates. For the 10 week share it entails an initial payment of \$225 and 1 additional check predated June 6th. Please mail them or bring to the first drop off. We also accept credit card payments and with your card on file and permission we can automatically withdraw the quarterly payments on the designated dates.

The following is a list of dates and locations for drop offs. You can always get in touch with us at the farm (630-556-3476), shop (630-556-9665) and Donna's Cell (630-303-8730) . Please call ahead if you need to arrange alternative dates/location due to vacation or other scheduling conflicts. We can always arrange a box at Esther's Place on Saturday if you are unable to meet your normally scheduled time. Please allow a week's notice to make alternative plans.

Our family wants to sincerely thank you for believing in our farming efforts and investing in the 2011 season. We promise you the best that we can grow and provide from other local farms. As the season progresses, we will be providing recipes and tips for preserving the bounty. An heirloom Pot Luck Dinner is also a great highlight of the season with a date to be announced shortly. Thank you for your support and here's to a great season of terrific foods!

Sincerely,
The Lehrer Family
